1 On the homepage of your Netbanking click on: "eBill: Register for eBill".

2 Accept the General Terms and Conditions for eBill. Then click on "Register for eBill".

3 Select the account(s) you would like to use for eBill.

4 Click on "Access the eBill portal".

5 You are now redirected to the eBill portal.
If you have already registered an e-mail address for eBill, this will be displayed automatically. If you wish to continue using this e-mail address for eBill, click "Activate".
If you would like to register another e-mail address for eBill, enter your e-mail address and then click "Activate".
Input the activation code that was sent to your mailbox by e-mail and then click "Confirm".

ℹ️ Once you have registered for eBill, you can access the portal directly from the homepage of your Netbanking.
